In a peculiar and macabre universe, little Arthur faces his greatest fears, nightfall is what scares him the most, in this brief period of darkness his syndromes transcend the limits of the psychic, monsters are always on the prowl, will this time he escape ?

## GAME HISTORY

Millennia of years ago, the Elders wrote an ancient legend on the stones: 'Every night the wandering souls of darkness disturb the dreams of energetic beings, at nightfall a pure-blooded creature is chosen and the boundaries of reality between the worlds are broken. .'

As it all indicates Arthur was chosen this time, and his journey through the nightmare will not be easy, the dark creatures in a parallel universe want to consume his soul.

The Nightmare Journey is a stylized game with unique graphics set in a 2D universe, in which Arthur is the main character, he must overcome different challenges and puzzles, mysteries are not lacking in this game.
